INSTRUCTIONS:

- Follow these simple steps to bring this sacramental craft to life.
- Download and print the digital download on white cardstock paper, set aside.
 - Grab two paper plates. Cut one of them in half. For the other paper plate cut out a pizza slice shape.
 - Paint your two pieces gold to mimic the look of a chalice.
 - Turn the paper plate that you cut in half over and glue the pizza slice shape to the back of it.
 - Cut out the images. (Make sure to cut around and not through the connecting circles to ensure a folding feature).
 - Glue the Jesus Image on the bottom of the connected circle.
 - Now fold down the top part of the circle at the dotted line (over top of the Jesus circle).
 - Glue the Body of Christ image on the front.
 - Now open your flap. Add glue to the very bottom of Jesus and the circle section below. Attach to the back side of the top of chalice (centered).
 - Let the glue dry.
- You can now open and close to reveal Jesus in the host.
All finished! You can add glitter or any embellishments to your chalice if you choose to do so.
