### INSTRUCTIONS:

**Prepare the Basket:** Cut a paper plate in half.

**Create the Contents:** Download and print the templates on white cardstock paper. Color and cut the images out.

Glue the fishes and loaves image you cut out to the front of the Jesus cutout where you see the word "glue". Be sure to adjust accordingly so you do not cover his face too much.

Pull the top pieces of bread forward a bit and glue those down as well.

Now glue Jesus and the loaves and fishes to the top half of the paper plate.

Cut a section of brown parchment paper to use. Turn the paper plate over to the back and hold the parchment paper against the paper plate and cut around the edge, the same shape of the paper plate. (You could trace the whole outline of the paper plate with a marker then cut it if that is easier too).

Take your piece you just cut out and lay it on the front of the paper plate.

Fold the top down to where you like and staple the edges to the paper plate.

Glue Jesus' hands on each side on top of the staples.

**Decorate the Finished Miracle:** Glue the "Jesus Feeds the 5,000" tagline to the front of the basket. Accessorize with Glitter which is optional.

PLEASE NOTE: FOR PERSONAL USE ONLY. NOT FOR COMMERCIAL USE OR RESALE.
