

## INSTRUCTIONS:

Download and print our Miraculous Medal printable template.

Color both pieces of the medal.

Cut them out.

Glue them together so you have a front side and a back side.

Use a hole punch to put a hole through the top inside of the medal.

Cut a long piece of string.

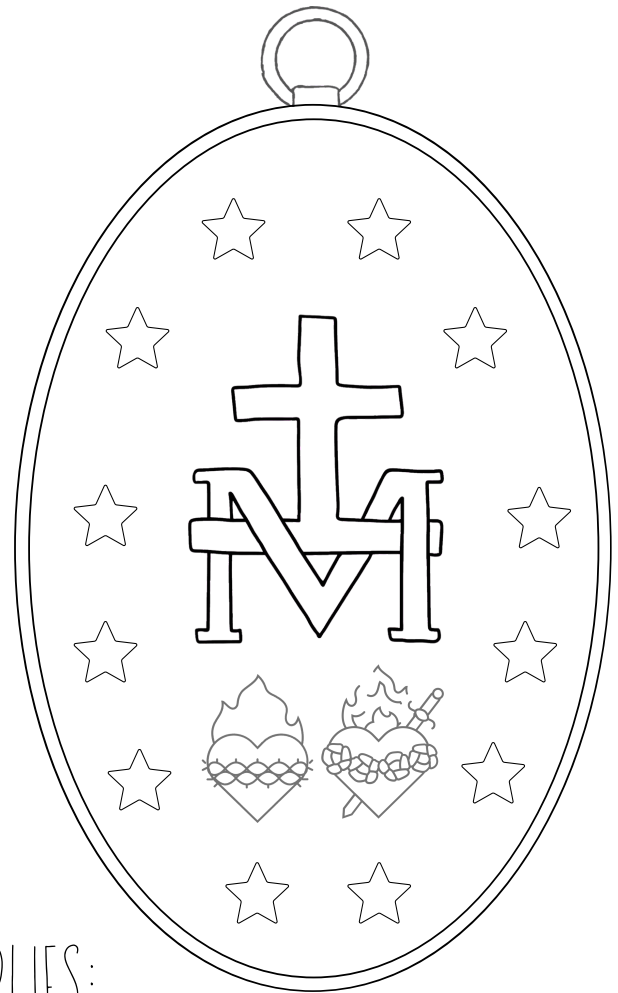

Pull the string through the hole.

Place it around child's neck and tie a knot where needed.

Tip: When cutting the string you may want to make it extra-long for your child. This is so when you tie a knot, it's long enough for the child to pull over their head and take it off whenever they want.

PLEASE NOTE: FOR PERSONAL USE ONLY. NOT FOR COMMERCIAL USE OR RESALE.
