

Fingerprint Turkey Cross

STEP BY STEP INSTRUCTIONS

YOU'LL NEED:

- White cardstock paper (chosen for durability).
- Ink stamps (classic autumn hues encouraged—red, orange, yellow, gold, brown etc...)
- Baby wipes/paper towels (essential for quick transitions between colors).
- Coloring supplies (optional)

INSTRUCTIONS:

Download and print the printable template on white cardstock paper.

Have child press finger in ink stamps, rotating the colors and applying their finger to each feather on the page.

Once it's dry, they can color the cross if they choose to do so.

The turkey does not need to look "perfect". The process of picking colors and stamping allows for personal expression.

THANKFUL FOR TURKEY
AND GOD'S BLESSINGS
