Moses and Red Sea

STEP BY STEP INSTRUCTIONS

YOU'LL NEED:

- Moses and Red Sea printable Template
- White cardstock paper (recommended for durability)
- Paper plate
- Coloring Supplies (crayons, markers, or colored pencils)
- Kid-friendly Scissors
- Brown unbleached parchment paper
- Stapler
- Glue
- Glitter (optional).

Visual Steps

INSTRUCTIONS:

Print:

First, print out your Moses and Red Sea printable template.

Color:

Have your child color the Moses and Red Sea image, along with small story tag.

Cut:

Grab your scissors and start parting those waves! Cut out both items on the template. Carefully cut when going between the waves and smaller sections.

Prepare Paper Plate:

Take your paper plate and cut it in half.

Trace the outline of your plate with the parchment paper and cut it out.

Staple the parchment paper top edges to the back edges of the plate.

Trim up any sections all the way around the paper plate so it has a clean look.

Add a little glue (or you can staple) the front section of the parchment paper to the front of the plate so it's fastened to the front of the plate.

Glue:

Apply a good amount of glue to the back of the Moses cutout along with the story tag. Press the story tag towards the bottom of the plate. Then press on the Moses image above, so it looks as if he is crossing dry land and the sea has been parted.
