## INSTRUCTIONS:

### **Download and Print:**

Download and print out the skeleton template on white cardstock paper.

### **Cut Printable Elements Out:**

Cut out the skeleton head and the included elements.

### **Glue Cowgirl Hat and Secure Skeleton Head to Page:**

Use your glue stick and secure the cowgirl hat on the skeleton. Glue the skeleton head to the top left-hand side of the page.

### **Make the Skeleton Q Tip Body:**

Lay five full-sized Q tips in a row, one beneath the other, to be the body of bones. Glue them with your school glue.

### **Add Boots and Boney Legs:**

Glue the cowgirl boots at the bottom of the page positioned any way you like. Cut two Q tips to fit the space between the boot and the bottom body bone and glue them down.

### **Q Tip Arms:**

Cut the end of two Q tips to be the arms. Glue the left side slanting downwards and the right side angled upwards from the top body bone.

### **Five Boney Fingers:**

Cut five tips off the Q tip ends and glue around the arm to make tiny boney fingers.
